T.H.S. BULLDOGS SWAMP BLUEDEVILS 20-0 ON FRIDAY 13th

AT STADIUM HERE, THS SQUAD PLAYING BEFORE LARGE CROWD SOUNDLY DEFEATED VISITORS

J. P. Wheeler, Jr.

The Thomasville Bulldogs added one more conference game to their record of victories last night by soundly defeating the Tifton Bluedevils twenty to nothing. The old jinx that usually hounds the Bulldogs in games with the Imps must have stayed at home even though it was Friday the thirteenth.

Tifton winning the toss chose to kick off to the Bulldogs. Winn's kick was received by the Bulldogs and reversed to Scaife who carried it to the thirty-five yard line. Scaife and Carr of the Bulldogs was wild in the next four downs picking up about sixty yards and two first downs. Hard luck then hit the Bulldogs when Newton fumbled on Tifton's five yard line. The fumble was recovered by Captain Charles Coleman of Bluedevils, who on the next play punted to his own thirty yard line where the ball rolled out of bounds. Carr after gaining three yards on a break through center lateraled to Scaife who put the thirty-three remaining yards between him and the goal line behind him in no time flat. A good kick by Hamlin Callahan put the score at seven to nothing.

Gandy got a bouncing kick to Hill of the Imps who was downed where he received the ball. An argument resulted over the legality of the kick and the officials called for another kick. It was Gandy again kicking but Mixon receiving. He drove for several yards before being stopped by the Bulldogs on the Imps thirty-three yard line. After fruitless efforts in trying to gain, Coleman punted to Carr who was brought down by Milner on his own forty yard line. Leon Cooksey, Imp guard who was already suffering from a broken nose, was slightly injured and was relieved by Marvin Kembroe. After an unsuccessful reverse to Mobley, Carr and Scaife again broke loose. Carr ran twenty five and Scaife for twenty-more putting the ball on Tifton's twenty-nine yard line. Mitchell on the next play snagged Scaife's pass and left only nine bloody yards to be covered for the score. The first quarter ended.

The first play of the second quarter brought another touchdown for the Bulldogs as Carr crossed the goal line. Thomasville chose to pass in the try for the point. Scaife threw and Mitchell recuperated but an offside for the Bulldogs forfeited the point. The Thomasville eleven then had the Bluedevils thirteen to nothing.

Coleman of the imps received Gandy's kick carried the pigskin to his own forty. Coleman tore through the Thomasville line and picked up fifteen yards on three plays. Coleman's pass to Mixon fell incomplete and the Imps decided to run the next play for seven yards. The ball was resting on the Bulldog's thirty-five yard line when a fumble by Coleman was recovered by Mitchell of the Bulldogs. Carr picked up twelve yards on a line break and Scaife added six to this on a reverse. After another good gain of twelve yards by Scaife, Tville took to the air with a pass from Carr to Mitchell who had to lift his six foot four inch anatomy at least three feet off the ground to snag it. After a setback of four yards Scaife's gain of thirteen wasn't quite enough for a first down and Tifton took over on their own two yard line. Coleman punted but the half ended before the Bulldogs could run any plays.

The second half found Carr receiving Winn's kick. It was Scaife again in Jersey No. 20 picking up twenty-six yards on four runs. The Bulldogs were forced to punt after several unsuccessful attempts for a first down. Gandy got off a long punt to Tifton's fifteen yard marker where it came down right on top of Jimmy Callahan and cost the Bulldogs a penalty of fifteen yards for interference. Coleman made several slight gains but not enough for a first down. A punt from Coleman was taken by Carr and carried to Thomasville's thirty. A reverse to Scaife was good for five yards but Tifton's line held firm and forced Gandy to punt, downing Mixon on his own forty-eight yard line. An offsides penalty against Thomasville put the Imps in Bulldog territory, but not for long as Mixon was thrown for a four yard loss. Tifton which had not made any astounding plays during the game pulled a spread formation and caught the Bulldogs off guard, and the pass from Coleman was good for twenty yards. Again the spread formition but this time Coleman's passed fell short of Mixon. Tifton picked up two more yards on the spread formation just as the third quarter ended.

A pass from Coleman to Mixon good for fifteen yards opened the last quarter but Tifton's glory was shortlived as Carr of Thomasville intercepted Coleman's next pass. But the Imps were determined not to let the Bulldogs pass and held them there until they had to punt. Gandy's punt was taken by Coleman to the Bulldog's forty-two. Coleman seemed unable to complete another pass to Mixon or to gain on the runs so he punted. Scaife picked up fifteen yards on a line break and Mitchell added nine more on a reverse. Bill Scaife then broke loose for the longest run of the game, thirty-five yards, followed by another run of twenty yards by him. Carr covered the remaining thirteen yards for the third Thomasville touchdown of the game. The score was made twenty to nothing when H. Callahan got off a good kick for the point.

The Bulldog first string that had fought continously since the begin-

GEORGIA MAKES BID FOR HONORS IN SE CONFERENCE

Atlanta, Oct. 14—9P—On football's far flung gridirons Southern elevens match their skills today, but only six teams engage in competition in the two major conference races—the Southeastern and Southern.

Georgia entered the Southeastern Conference win column last night by defeating Kentucky 13 to 12, in a thrilling stretch finish.

Georgia Tech was an odds on favorite in its first conference game of the season to defeat Alabama Poly (Auburn) in one of the South's oldest rivalries. The Rambling Wreck has bowled over Clemson and North Carolina decisively, while the Tigers have two victories over less skilled foes to their credit. The Atlanta meeting was the 47th for the two elevens.

In another Southeastern loop game, unbeaten Tennessee was matched with Florida's Gators, who already have dropped one conference tilt to the University of Mississippi.

Wake Forest and Virginia Military Institute, pacing the Southern Conference, meet in Greensboro, N. C., tonight, with the Deacons a slight favorite over the Cadets.

Tulane, defeated by Notre Dame, seeks to regain the spotlight this week against the Rice Owls of the Southwestern Conference. Another Southwest Conference member, Texas A & M, also invades Louisiana, playing Louisiana State at Baton Rouge.

Undefeated Mississippi State goes outside the conference and plays the V-12 strengthened Arkansas A & M Bollweevils. The University of Mississippi has an open date, and Alabama takes on Millsaps in another Southern.

Two of the Southern Conference's top elevens engaged in intersectional combat. Duke engaged Navy at Baltimore, and William & Mary played Penn at Philadelphia.

Other games sent Citrice defeated North Carolina against the Cherry Point Marines, North Carolina State was filled with Catawba, Richmond against Hampden Sydney, and Maryland was pitted against West Virginia.

Clemson and South Carolina had open dates to prepare for their annual classic at Columbia next Thursday.

Most service teams in the south were scheduled to swing into action Sunday.

MILLSAPS COLLEGE ELEVEN MEETS ALA. GRIDERS TODAY

Tuscaloosa, Ala., Oct. 14—(AP)—An underdog Millsaps College eleven from Jackson, Miss., is pitted against Coach Frank Thomas' Alabama gridders as they open their home season here today.

Game captain for the Crimson Tide will be Jack Green, left guard who was a non-letter squad member of the 1942 team.

DARTMOUTH SQUAD READY FOR CLASH WITH NOTRE DAME

New York, Oct. 14—(AP)—It hardly seems possible, but Dartmouth may spring the upset of the football season by beating Notre Dame, regarded as the nation's No. 1 eleven, at Boston today.

The unbeaten Irish rolled a heavy pre-game favorite against the vetoran Hanover Indians, but until the final gun goes off Dartmouth has a chance to make grid history much as Vienna made turf history in beating Twilight Tear, 11 to 20 choice, in the Alabama stakes at Belmont in August.

Like Dartmouth, Duke has a golden opportunity to regain prestige by beating Navy at Baltimore; ditto Pitt against Army at West Point and William and Mary against Penn-Orange at Philadelphia.

These games, along with the Yale-Columbia fiasco at New Haven, top an interesting cold program in the East.

Ohio State vs. Wisconsin headlines the Midwestern line along with the Illinois-Iowa, Michigan-Northwestern and the Purdue-Iowa Seahawks clashes.

In the South and Southwest the Rice-Tulane, Texas Aggies-LSU, Georgia Tech-Auburn, Tennessee-Florida, Virginia-North Carolina Pre-Flight, and Wake Forest-VMI encounters have attracted the most attention.

Mighty Randolph Field, whose fame continues to spread, meets Southern Methodist in the Southwest at San Antonio while Texas and Oklahoma tangle at Dallas and Tulsa plays host to Texas Tech.

TECH AND AUBURN WILL RENEW OLD RIVALRY TODAY

Atlanta, Oct. 14—AP—Undefeated and uncorded spots this season, Alabama Poly (Auburn) and Georgia Tech today renew one of the South's oldest football rivalries, with the Rambling Wreck no odds on favorite.

Georgia Tech Ducats overwhelming victories over Clemson and North Carolina this season for its V-12 bolstered team. The all civilian Tigers of Auburn also have two victories to their credit, whipping the heavier Fourth Infantry of Fort Benning and Howard College's V-12 reinforced Bulldogs.

A crowd of 20,000 was expected to be in the stands for the kickoff at 2 P.M. CWT.

TWO STAR SERVICE TEAMS MEET TONIGHT AT FORT PIERCE, FLA.

Fort Pierce, Fla., Oct. 14—(AP)—Two star studded service teams, the U. S. Naval Amphibious Training Base Amphibs and the Chatham Field Blockbusters bring his time football to Fort Pierce tonight.

ATLANTA BOYS' HIGH DEFEATED MIAMI HIGH 29-9

By The Associated Press

The Purple Hurricane of boys high, Atlanta, upheld the prestige of Georgia's prep football last night by decisively trimming 29-0 the Miami (Fla.) high Stingarees, defenders of the Mythical southern prep championship.

The Purple victory was the highlight of a prep card sprinkled with several upsets and ties that left conference championships open to debate.

Darlington of Rome also took on an out of state eleven and routed it. Darlington trimmed Chattanooga (Tenn) high 32-6.

Russell high's East Point Wildcats continued to pile up victories in the North Georgia interscholastic association, trounicing College Park 39-6, while Decatur previously tied by Roswell, caught its jinx, North Fulton, again and battled to a scoreless tie.

In the GIA, Richmond Academy of Augusta, an underdog, battled the strong title contender, Jordan High of Columbus to a scoreless tie. The Augusta Musketeers' pass defense smothered Jordan's aerial attack and twice threatened to score. Richmond's defense was so tight, only once did the Red Jackets threaten.

The poets of Lanier at Macon, clicked along at a touchdown-a-period rate for three quarters and then turned on the steam to double the score. The Stribling gave Savannah fans a demonstration in place-kicking, converting six straight times after touchdowns.

Fitzgerald gave Valdosta's SFGA title hopes a setback in an upset 19-12 victory and in another SGFA game, Albany's Indians hit the comeback trail by trouncing Waycross' Bears 19-0. Albany dropped a game to Cordele last week.

GEORGIA CHALKS UP 13-12 WIN OVER KENTUCKY

Athens, Ga., Oct. 14—(AP)—Georgia with a spectacular last minute scoring drive snatched victory from the Kentucky Wildcats and won 13-12, last night.

The Bulldog victory march climaxed one of the most tense fourth periods played on Sanford Field where the lead changed twice within five minutes.

But it was the top of Billy Bryan that really gave Georgia a victory, as his conversion from placement in the second period was the deciding factor in the end.

Georgia went into the final period with a seven point lead over the surprised Wildcats only to see the Kentuckians slice two touchdown drives, and 1/2 of the lead, with only four minutes left to play.

Taking the kickoff and returning to their own 31, the Bulldogs really went to work. George Skipworth tipped a pass to Reid Moseley that gained 11, and then passed to Rutland who went to the Kentucky 25. Kentucky stopped Georgia on three plays, then on fourth down Skipworth passed to Edwards on the Wildcat one. A fumble lost ground, then Rabbit Smith scored on a short pass from Ken McCall. McCall missed the extra point.

The Wildcats had Georgia on the spot with two well executed touchdown drives, largely on passing. At Perl kicked out of bounds on the Wildcat 41 as the fourth period opened. Dutch Campbell shot a pass to Tony Rotunno that carried to the Georgia 11. Campbell fumbled and recovered, then whipped a pass to Rotunno for a touchdown. Ferrie failed to convert from place kick.

After an exchange of punts, following punt interceptions by each team, Kentucky rolled again. From the Georgia 11, Jim Parrot expanded the Wildcat one, as the Georgia five. Two plays later he smashed through to score. Ferrie again failed on the point after touchdown.

Georgia's first touchdown on which Bryant kicked the decisive point, came in the second on an 80 yard march on three passes, one of which was nullified by a penalty. McCall passed to Moseley for a gain of 46 yards, and in the Kentucky 31, McCall passed to Edwards, but a holding penalty put the ball on Kentucky's 48. McCall whipped another pass to Edwards who scored. Bryan kicked the extra point that proved to be the winning point. An estimated crowd of 9,000 saw the game.

SLAMMING SAM NOW READY TO RENEW HIS OLD GOLFING GAME

New York, Oct. 14—(AP)—The recent United States lawn tennis association bulletin reviewing the amateur-professional "tennis bum" situation, pointed out that two years ago the United States board of tennis appeals ruled the association is exempt from federal income taxes "because of the amateur character of our organization and the nature of our work." This being a lot to explain why the USLTA isn't interested in open tournaments or liberalizing it rules . . . Time Can't Change

Now that the Dodgers have packed away their satin night-game uniforms for the season, it's safe to point out that when New York first heard the American League, the uniforms consisted of Maroon coats, blue suits and stockings and white caps, with letters across the players' chests reading "Greater New York."

A contemporary commentator wrote that the uniforms "are louder than Bowery hose."

NOTRE DAME RULES FAVORITE TO BEAT DARTMOUTH TODAY

By Jack Cuddy

New York, Oct. 14—AP—The fighting Irish of Notre Dame, who have gone through the football season without a defeat, will make it two for the Ivy League today when they tangle with the Dartmouth Indians, but not without a stiff battle against tribe of Dartmouth Indians.

Lured by the magic magnet of the Notre Dameers, a capacity crowd of 41,000, who made it a complete sellout as far back as August, will burst the seams of Fenway Park, rain or shine.

Dartmouth, to date, has tied Holy Cross and has been overwhelmed by Pennsylvania but Coach Earl Brown refused to surrender in advance.

"I've never seen a squad worry so hard as mine has for Notre Dame," he explained. "My boys know they are facing a terrific test and they are determined to win. They know they are much better than their record indicates."
