# STIMSON PRAISES NAVY FOR MANNER INVASION HANDLED

War Secretary Also Lauds British.—Says Enemy Suspected Attack and " [\* Grouped Subs

Washington, Nov. 12. (AC)—Secte-tary of War Stimson said today that despite efforts to keep the Negth African expedition a secret, the an-

series which we know were infected with submatrines.

Simuon said the entire Nogth African operation was not only an African operation was not only an African operation was not only an African operation was not operated by a series of the s
