ate TD's Pace Valdosta, 35-21

By WEDNELL TIDWELL, VALOOSTA—"I tried to lett excreps back when we entered this league that we were going to be tough, but nobody listened. This year, I told everyone back them were going to be tough, but nobody listened this part of the mester tought."

A, tired, but delighted Wright Brainmere ast in his tilty office he was not opened to which the season opened to the season opened to which the season opened to the season opened to which the season opened to the season opened to which the season opene
